

11.2 Support of arts and heritage

11.2.4 CU as a body provides free public access to open spaces and green spaces.

Cairo University is large (207,853 students) comprehensive and urban governmental university located in Giza, Egypt:

- 1- **The 1st evidence** is the sustainable report 2023, please see pages 16-18 of the attached file.
- 2- **The 2nd evidence** is a study of university campuses in Cairo (including CU) highlight that many such spaces are semi-public or for university community use rather than fully open public parks. For example, a study of an Egyptian university campus notes that even though open green spaces exist on campus, they are not necessarily open to the broader public.
