

11.4 Sustainable practices

11.4.7 CU as a body work with local authorities to address planning issues/development, including ensuring that local residents are able to access affordable housing.

Cairo University routinely collaborates with national and local public bodies on planning, development and community-facing projects (technical cooperation, MOUs, joint initiatives and a large staff-housing scheme).

- 1- **The 1 st evidence** is A press release titled "Cooperation between Local Development and "Cairo Engineering" to conduct feasibility studies for the ministry's projects ".
- 2- **The 2 nd evidence** is the link of Center for Architectural and Engineering Design Support".
