

14.5 Maintaining a local ecosystem

14.5.1 CU plan to minimize physical, chemical and/or biological alterations of related aquatic ecosystems

CU is progressing on sustainability and has launched relevant initiatives (carbon literacy, green campus):

- 1- **The 1 st evidence:** CU launched the initiative (“**Carbon Literacy**”) in October 2023, aimed at promoting sustainable practices including reducing environmental footprints..
- 2- **The 2 nd evidence:** An article reports that CU, in August 2023, published a piece titled (“Cairo University .. Towards a green campus”), which mentions many sustainability initiatives (though not specifically a detailed plastic-waste plan)..
