

16.3 Working with government

16.3.1 CU provides specific expert advice to local, regional or national government (e.g. through policy guidance, participation in committees, provision of evidence).

Cairo University (CU) provides **specific expert advice / services** to local or national government:

- 1- **The 1 st evidence:** The university is reported to have been contracted by the Egyptian Cabinet to raise the efficiency of the national air-quality monitoring stations via its Center for Risk Reduction and Environmental Studies and Research at CU.
- 2- **The 2nd evidence:** CU is also listed as collaborating with the National Institute for Governance and Sustainable Development (under the Ministry of Planning) via a cooperation protocol covering governance, administrative development, research studies, etc."
