

4.3 Lifelong learning measures

4.3.3 CU hosts events at university that are open to the general public: executive education programmes and/or vocational training.

- CU has offered training courses and workshops (e.g., skill-development, communication, journalistic writing) targeted at students and public:
- CU organized a training course on “how to write journalistic topics in the digital age” and a workshop on “communication skills and art of interaction” for students in March 2023. Evidence 1
- CU also announced a summer training programme (July 2023) run by the faculty of Computers & AI targeted at children of faculty/staff for programming/AI. Evidence 2 and 3.
- The CU centers offer continuous services and periodically host events at university that are open to the general public: executive education programmes and/or vocational training. Evidences 4 and 5.
