

## 7.4 Energy and the community

### 7.4.1 CU provides programmes for local community to learn about the importance of energy efficiency and clean energy.

- 1- CU's 2023 **Sustainability Report** mentions that 64.99 % of all courses are connected to sustainability and offers MSc programmes in “Renewable Energy and Energy Efficiency in the Middle East and North Africa (MENA) region”.
- 2- The **Faculty of Medicine** at CU includes a “Green Office” which mentions raising awareness and implementation of sustainability, environmental safety and clean energy.
