It is only dedicated to reflect the history and civilization of the motherland which we are all have the honor to belong to.

## About Faculty of Archaeology, Cairo University

Faculty of Archaeology has been established after a decree from the University's Council for Graduate Studies, and after the republican decree no. 1803 of the year 1970, as a response to a demand from The Commission of Archeology that was in a dire need of all of the academic disciplines of sufficient Archaeological studies. Thus, the university's council has agreed on establishing a distinct faculty, dedicated to archeological studies.
