Word of Faculty of Urban and Regional Planning  
cairo,university

Prof. word / Wafaa Abdel Monem Amer

Dean of the College

Sons and daughters college students Urban and Regional Planning -  
University of Cairo.

Welcome to your glorified university. Welcome to new members of the Faculty of Urban and Regional Planning family. This is in fact a unique educational institution in Egypt and the Arab world. I wish all of you to know that your presence in this unique college imposes upon you the burden of carrying the message that the college took upon itself to build a specialized cadre that is able to carry the flame of urban development in Egypt.

The good luck - dear children - that you will be the nucleus of the first graduating class system of the new regulation - a system of credit hours - This list, which was the product of hard work for years, stretching from faculty members, in order to build a graduate has the ability to compete in the global marketplace - in light of quality system, accreditation and the steps our college going for it and confident.

Sons and daughters.. Once again welcome to you in the family of the college and which I invite you by its name today to work with all the seriousness and commitment, and also of belonging and love for your faculty and our ancient university and our beloved homeland. We are waiting for you all scientific excellence, moral excellence and the observance of God and of conscience in every step.

Sincere wishes of success...
